

McNamara Declaration

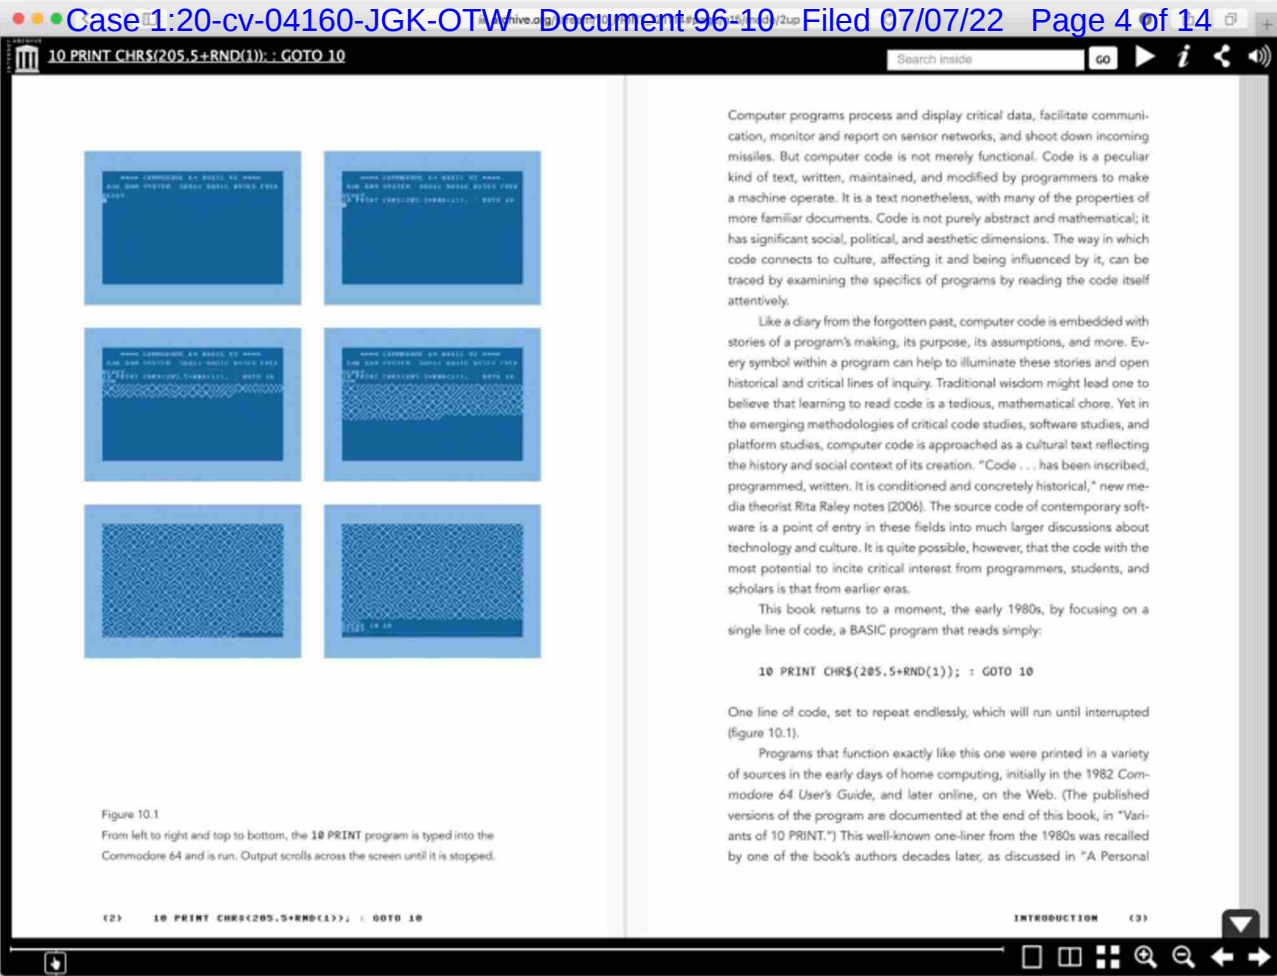

Exhibit 10

Lending & Book Reader

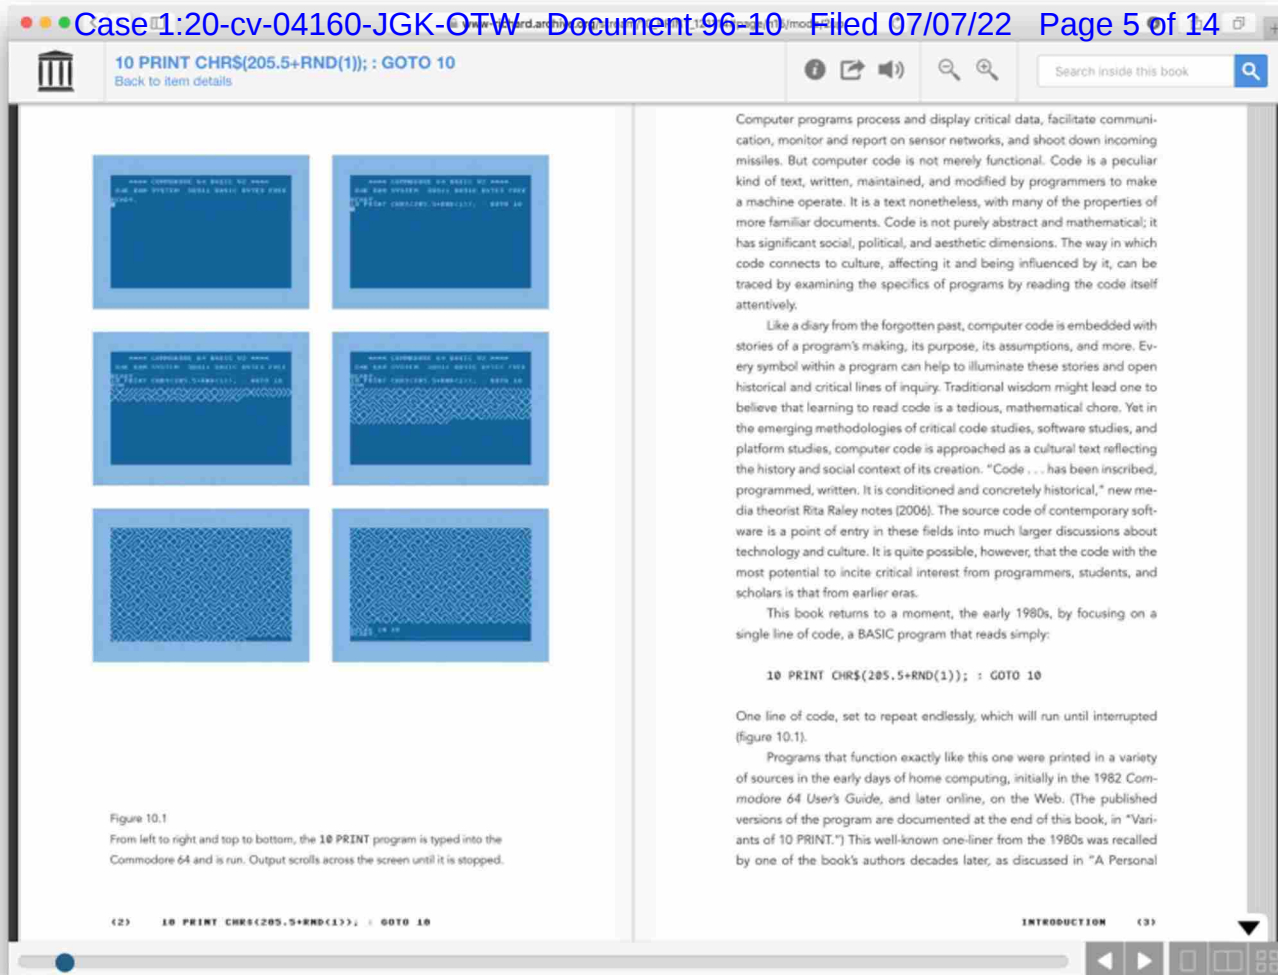

Thu Oct 6, 2016 by Richard Caceres

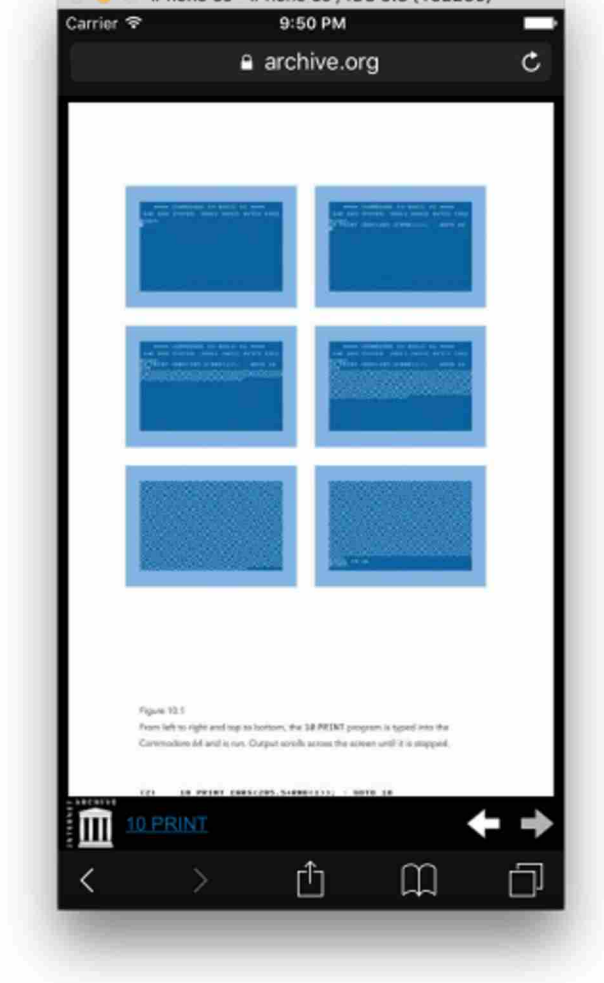

Book Reader

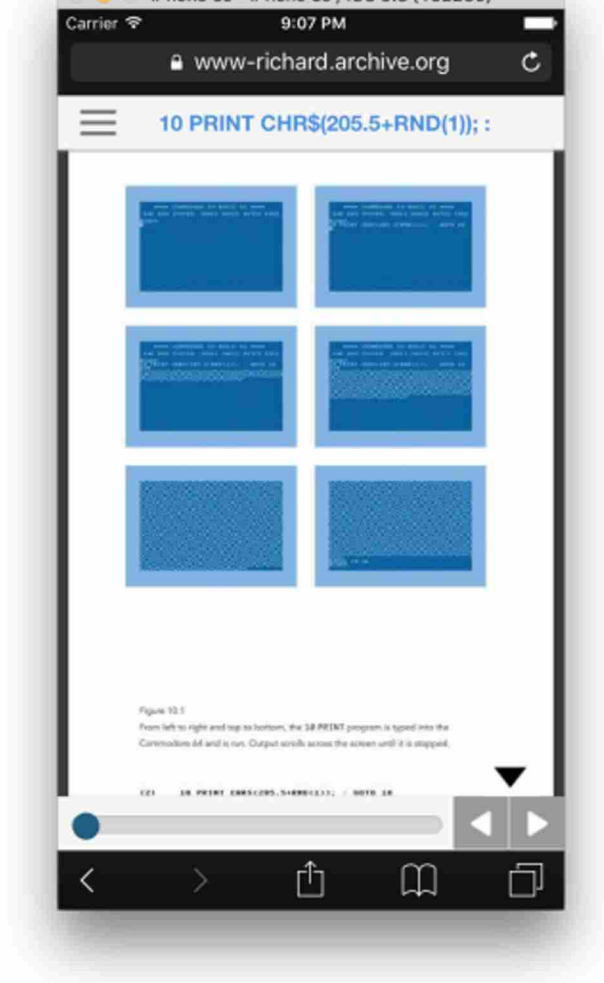

<https://github.com/internetarchive/bookreader>

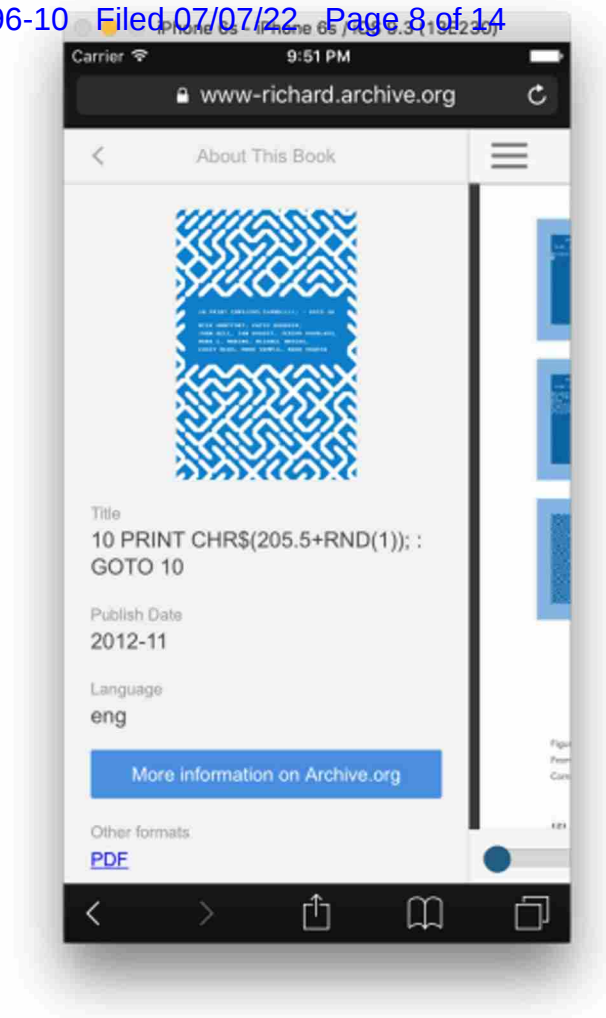

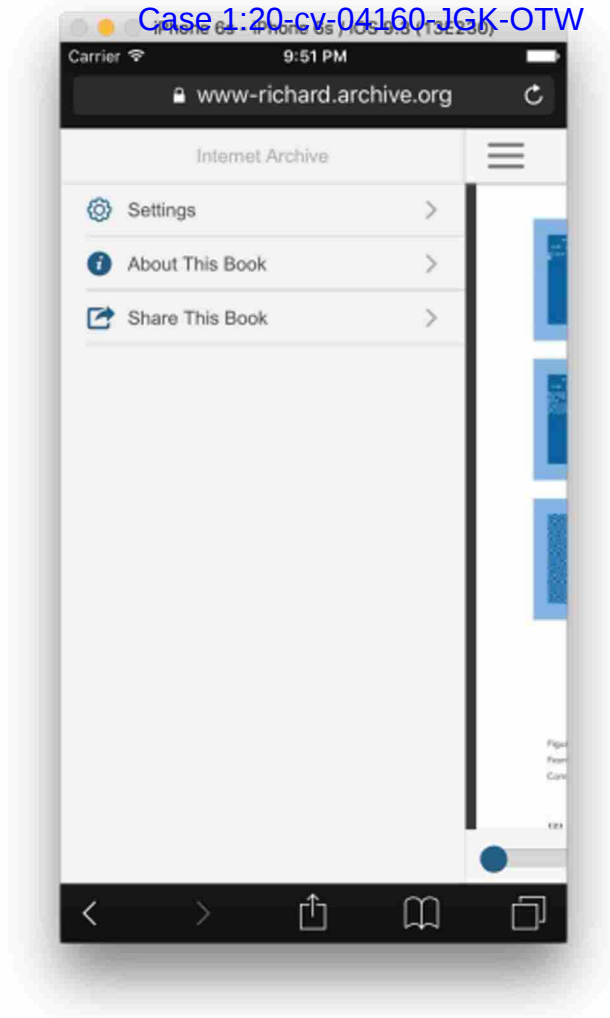

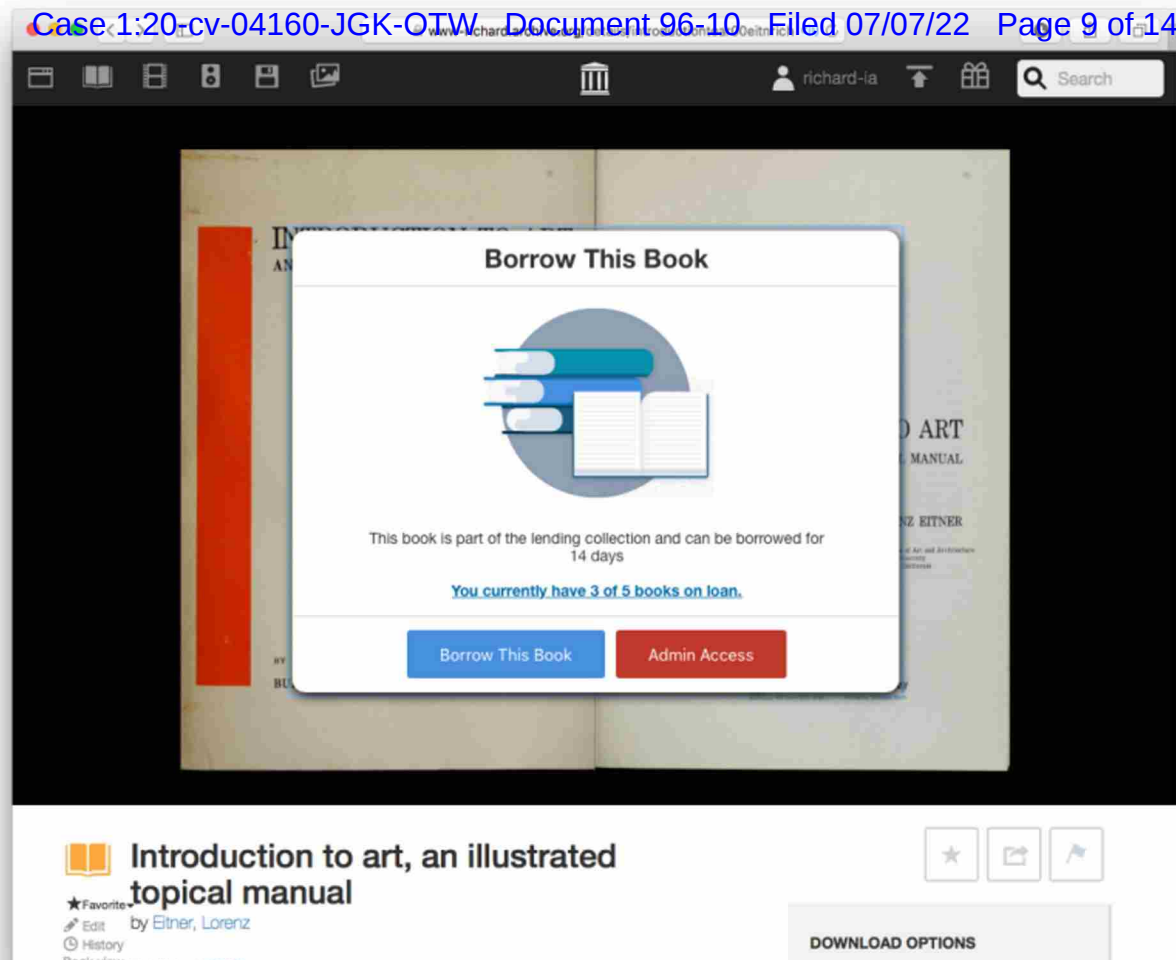

After

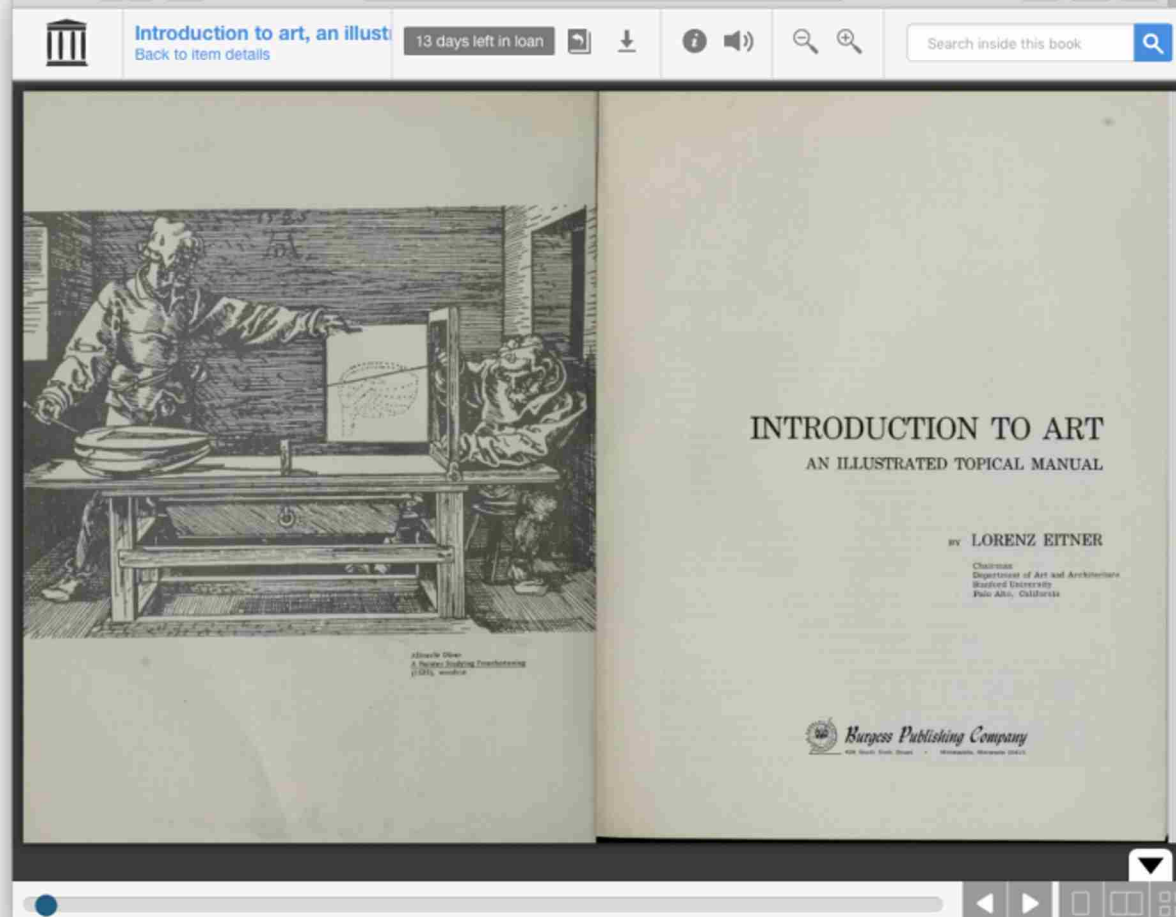

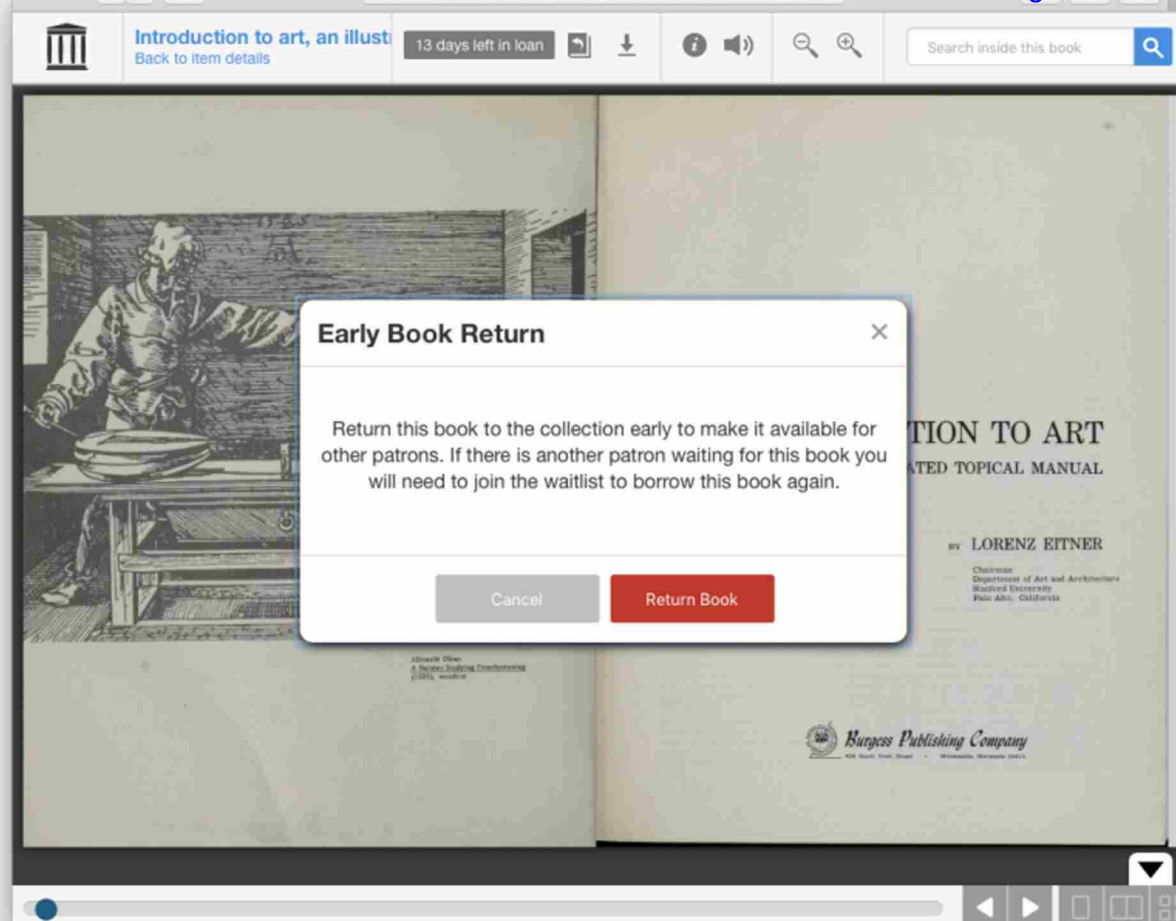

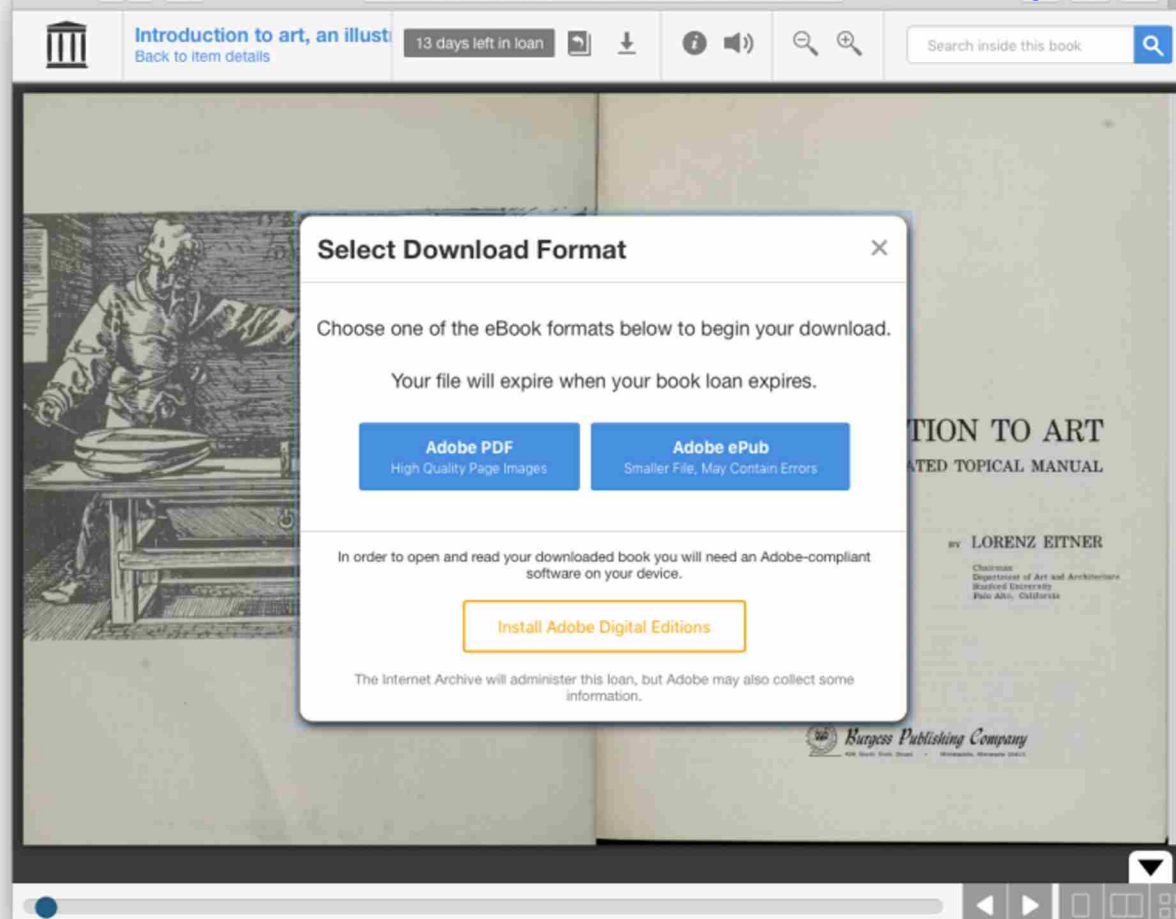

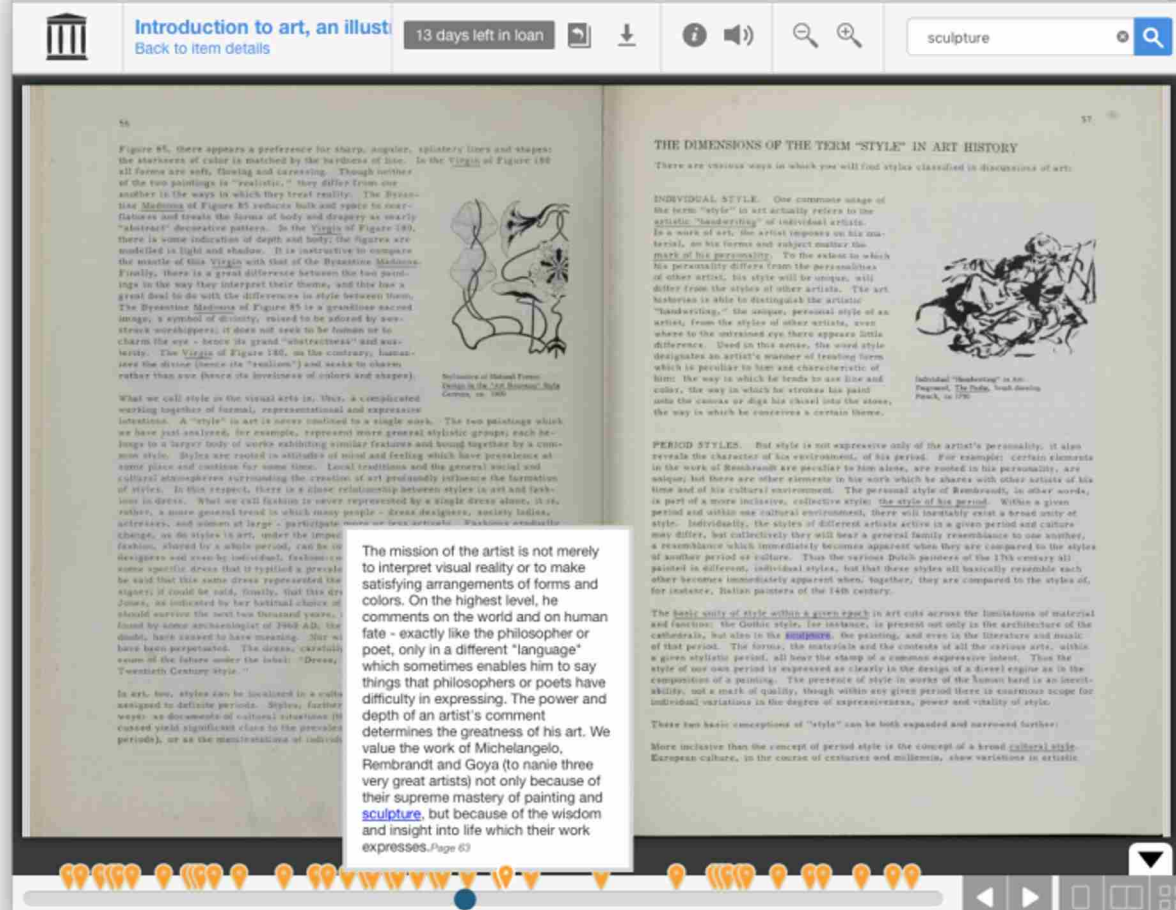

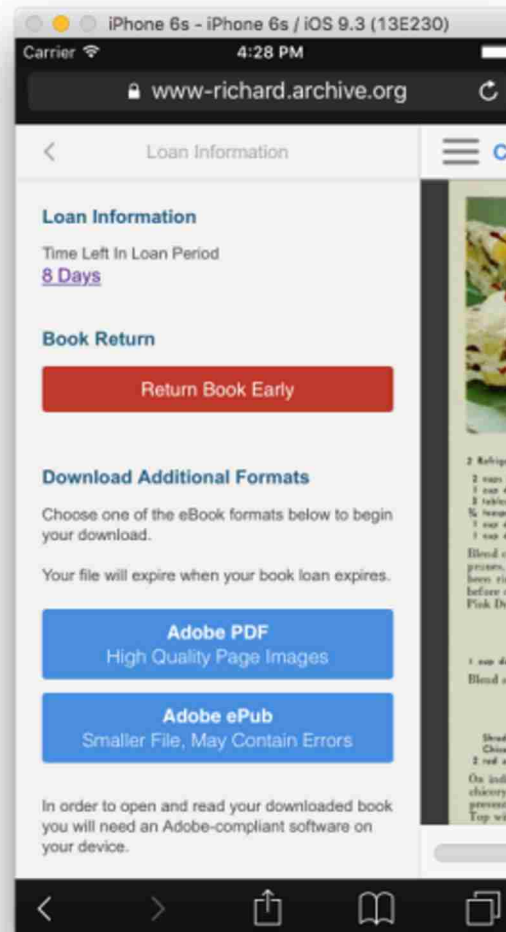

Downloads are fulfilled by our own instance of Adobe Content Server (ACS4).

They can be opened in Adobe Digital Editions.

Search works within
lending books.

It uses our Elastic
Search backend.

New Mobile Interface.

Built with "mmenu" plugin.

Mobile interface is activated with a css media query.

The cutoff is currently 800px.
